Counting of Yeast Cells with the NucleoCounter® YC-100™

Beer

 Grupa Żywiec	Elżbieta Żyrek (Specjalista d/s Mikrobiologii) from the Polish brewery group, Zywiec Group , has tested the NucleoCounter® YC-100™ and her conclusion is as quoted: "This is the best system from all others which has been tested/considered by me." She emphasizes the reliable and objective estimation of total count and viability. Read the complete recommendation under 'References'.
